Rep. Reboletti Takes Oath of Office

Springfield, IL ... State Representative Dennis Reboletti (R-Elmhurst) took the oath of office for his third term in the Illinois House of Representatives today amongst the company of family and friends.

“I am honored to have the opportunity again to represent the residents of the 46th district. It is a great feeling knowing that I have so much support from my district. I look forward to tackling issues that will benefit the lives of Illinois residents,” said Reboletti.

Reboletti said he looks forward to working on tackling the state’s spending habits, creating a more business-friendly environment to bring jobs to Illinois and to increase public safety during the new General Assembly.

“Families are struggling and we need to focus on prioritizing and streamlining state spending in this new year. It’s imperative that we get Illinois’ fiscal house in order,” he said.

Reboletti has served in the House of Representatives since 2007. The 46th District consists of all or sections of Addison, Bensenville, Elmhurst, Itasca, Lombard, Villa Park and Wood Dale.

For more information, contact Reboletti’s district office at (630) 530-2730.
