### **Reboletti, Coladipietro Host Public Safety Forum**

**Addison** ... To continue to strive for safer homes and neighborhoods, State Representatives Dennis Reboletti (R-Elmhurst) and Franco Coladipietro (R-Bloomingtondale) will host a Public Safety Forum on September 25<sup>th</sup>. This forum is open to the public.

“We are fortunate to live in a county that has relatively low crime. However, we must continue to strive for safer communities,” said Rep. Reboletti. “Our municipalities have outstanding social service organizations such as Family Shelter Services and MADD which are trying to assist our communities by providing programs to stop domestic violence and drunk driving. We need to reach out and find additional methods to help these organizations in their quest for safe homes and communities.”

Rep. Coladipietro stated, “I applaud our county government, police departments and municipalities that continue to implement new policies and programs to cut down on crime. I feel that the state needs to do its part to provide our local police departments and prosecutors with the tools to go after these criminals. This forum will provide the perfect opportunity to address these issues”

DuPage County States Attorney Joe Birkett and DuPage County Chairman Bob Schillerstrom will also be providing their prospective on how the state can help the county.

When: **Thursday, September 25, 2008**  
**6:00 – 8:00 pm**

Where: **Village of Addison - Boardroom**  
**1 Friendship Plaza**  
**Addison**
